and what have you

by BOB CRAIG

Like the boys and the rest of the town I was hoping that the Pipers could go further into the playoffs than they did but there is consolation in the fact that the Pipers lost to one of the finest offensive teams seen in high school football in a long time.

Although the boys did not set a new high for a Hamlin football team they did surpass anything that a team has accomplished in the last 20 years and set a fine goal for next year's team to work for.

In spite of the fact that the boys lost some games this year that they probably thought they could win they still came up with a fine record.

Quannah was the first team in 20 games to score more than two touchdowns on the Pipers and this in its self is a fine record to be proud of.

With the proper support the boys can climb a little higher up the ladder of success each year.

Along with the town, we extend our congratulations to the Pipers for a fine season. Now to basketball where the goal set by last year's team is set pretty high, but with the same desire shown by the football team, it can be surpassed.

With all of the troubles around the world this Thanksgiving should hold special meaning to all of us when we stop to think how much better off we are than the rest of the world.

Since most of us spend the biggest part of the year griping about how bad things are I think if we will just stop and think this one day of the year we will see how much we have to be thankful for.

Since the city has installed stop signs on the various intersections over town not a day goes by that there aren't from one to four signs bent or torn down. This is a disgrace to the town and a waste of taxpayers money.

This disregard for public property needs to be stopped and parents should impress on their children that it is just money out of their own pockets that is being wasted. The signs will be replaced each time they are destroyed and nothing is being gained by this show of disrespect.

Parents should warn their children that if anyone is caught destroying public property they will be prosecuted. The signs were put up for the public's protection and should be treated as such.

Sandra Jayroe Wins First in Fashion Contest

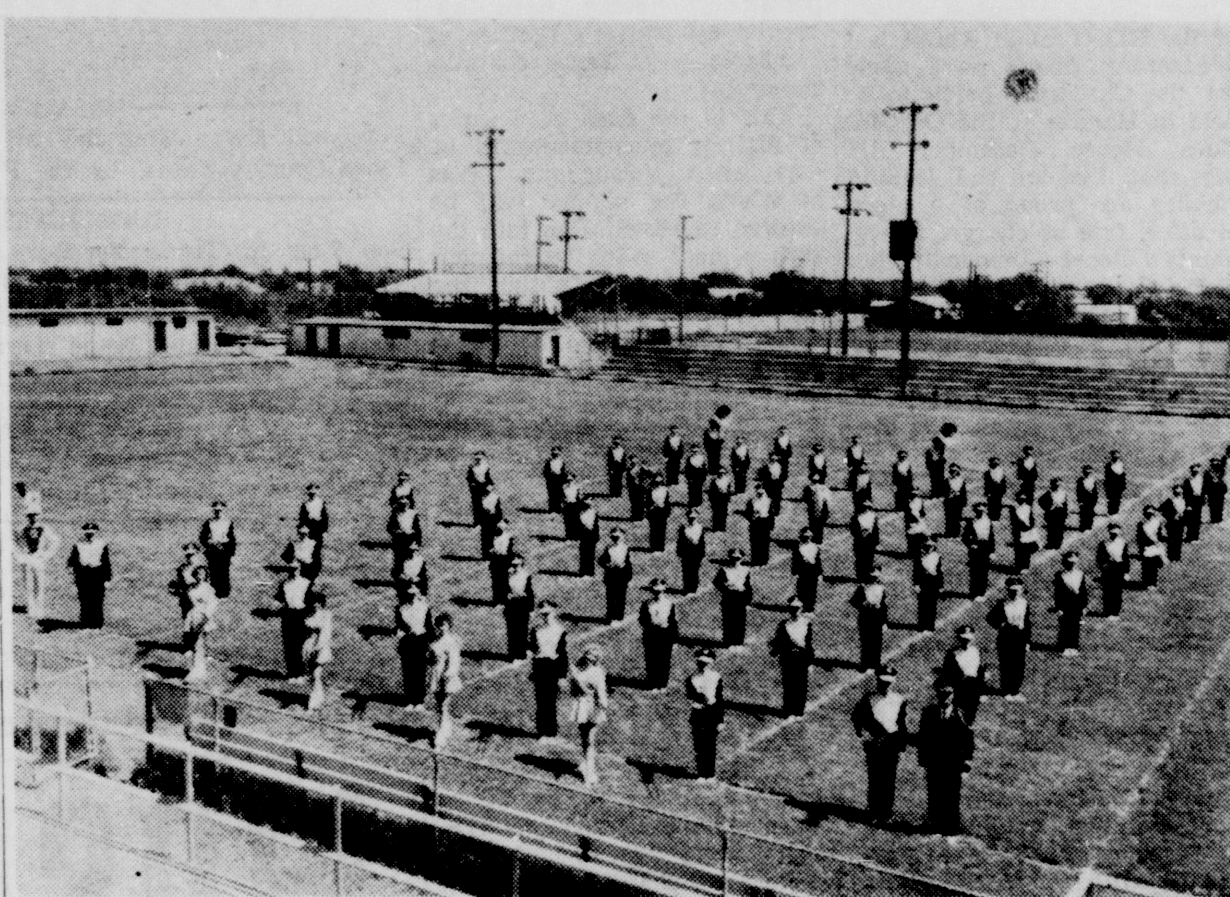

Three Hamlin High School homemaking students placed in the Jones County elimination contest of the 15th annual national "Make It Yourself With Wool" Contest held Monday afternoon at Noodle High School.

First place went to Sandra Jayroe, daughter of Mr. and Mrs. J. D. Jayroe; second place to Gloria Jenkins, daughter of Mr. and Mrs. E. N. Jenkins and fourth place to Nancy Stinnett, daughter of Mr. and Mrs. Louis Stinnett.

Garments entered in this contest must be made of American loomed wools. The costumes were judged on the girls for coordination of fabric, pattern and trimming; color suitability of garment and accessories; fit, fashion; grooming, poise and posture.

Each of the Hamlin entries supervised by Mrs. James E. Simmons, made a sheath dress and wrap with matching hat. These girls, along with the third place winner, Mildred Muehlstein of Avoca, will represent Jones County in the area contest to be held in Lubbock at Texas Technological College on December 9.

Other schools represented were Lueders, Avoca, Anson and Noodle.

THE MARCHING GREEN of Hamlin High School won a first division rating at the playing and marching contest held Saturday in San Angelo. This is one of three divisions needed for a sweepstakes band. The concert and sight reading contest will be held this spring. Band Majorettes, Margaret Maberry, Legena Weaver, Sunny Teague, and Anna Adams, also placed first with a twirling ensemble. Miss Weaver and Miss Teague placed first in solo contest. The Piper Band is directed by Tim Jones and Drum Major is Barry Cheshier.

Perry Workman, Stonewall 4-H'er, Wins 1st in State

Stonewall County 4-H'ers, who have never won a first in any State Contest until this year, added their 4H First Place State Win in the Swine Division, when Perry Workman won the State Heavy Litter Contest in the Texas Sears-Roebuck Sponsored Swine Contest. Perry's sow produced a litter of 11 pigs that weighed 651 lbs at 56 days. Perry's sow won County, and District in Showing.

Other State Winners in 1961 were: Helen Diers, State Health Winner; Jerry Kennedy, State Poultry Winner; and David Anderson, State Soil Judging Winner.

1961 ALL-DISTRICT TEAM

The Pied Pipers, district representatives, placed five men on the two-team All-District selections made by the district coaches here Wednesday night. Hamlin had three boys on the 12 man offensive squad and two on the defensive team. Haskell and Stamford lead the selections with six boys each. Anson placed five and Spur two.

Senior Jimmy Cooper, end; senior Neal Branscum, guard; and senior Stanley Austin, quarterback, were on the offensive team and senior Rayford Williams, end; and Jerry Duncan, tackle were selected on the defensive team. Six Hamlin players were listed on the honorable mention list.

Both the offensive and defensive teams were 12-man teams.

Annual Thanksgiving Service Tonight, 7:30

The annual Community Thanksgiving service will be held tonight at 7:30 in the First Baptist Church with the Rev. Edmund Robb, pastor of the First Methodist Church, delivering the Thanksgiving address.

This event is sponsored each year by the Hamlin Ministerial Alliance. The offering taken during the service is used by the alliance to assist stranded transients and to help needy families in the community. Merits of the needs of the applicants for this fund are determined by a committee which includes the president of the Ministerial Alliance, Clarence Bailey, W. C. Russell and L. H. McBride, local business men.

Music for the program will be under the direction of S. L. Tate, music-education director of the First Baptist Church with Mrs. Henry Albraton at the organ and Mrs. Marvin Carlton, pianist.

Special music will be presented by Freida Ford, who will sing "Bless This House," and the First Baptist Church Choir singing, "Come Ye Faithful People." The Scripture Lesson will be read by Rev. Cecil Stowe, pastor of the Church of the Nazarene, followed by prayer led by the Rev. Frank Chapman, pastor of the Sunset Baptist Church.

The Rev. Fred Brown, pastor of the Faith Methodist Church will lead the Responsive Reading and the Rev. T. M. Harrell, pastor of the North Central Baptist Church, will give the Offertory Prayer. The benediction will be given by the Rev. Spencer Lyles, pastor of the Foursquare Church.

The Ministerial Alliance is composed of the Rev. Fred Brown, president; the Rev. Spencer Lyles, vice president; the Rev. Frank Chapman, secretary; and the Rev. Cecil Stowe, treasurer and other members, S. L. Tate, the Rev. Edmund Robb, Rev. T. M. Harrell, Rev. Lenard Hartley, pastor of the First Baptist Church and the Rev. John Burleson, pastor of Calvary Baptist Church.

C. E. Pierce was elected president of the Pied Piper Booster Club for 1962-63 at the final meeting of the organization for the year Monday night. Other officers elected were: John Scarborough, vice president; James Wright, secretary-treasurer; Nordie Bayouth, Stanley Butler and Sonny Brown, trustees.

The football boys were guests of the club at the final meeting and were served cakes and ice cream.

Edgar Duncan, this year's president, expressed his appreciation to the boys and members of the club.

Dr. Upchurch To Head Brucellosis Meet in Aspermont

Dr. Upchurch of the Animal Health Commission will hold a meeting November 28 in the County Court Room starting at 2:00 p.m. for the purpose of discussing how to keep Stonewall County a Brucellosis Free County.

Since Brucellosis Control is a State Law, this is an important meeting and will need everyone's cooperation.

County Agent Hennig states that it will be easier to learn now and not later on.

CONSTRUCTION STARTED ON 600-MILE RADIO RELAY SYSTEM

Construction has begun on a 600-mile radio relay communications route spanning West Texas through the Sweetwater area, according to Roy Eury, manager of Southwestern Bell Telephone Company. The long distance telephone skyway will be placed in service connecting Dallas and Phoenix, Arizona, in late 1962.

The project will include the erection of a station at a site two miles north of McCaulley, which will include a 175-foot steel tower for microwave antennae, and a 1,600-square-foot equipment building. The station will be built by the Long Lines Department of American Telephone and Telegraph Company.

This will be one of 15 stations between here and El Paso Eury said. The route also will be extended eastward to Dallas, where it will connect to other major communications systems as part of the Bell System's nation-wide network. It also will be connected to the system at Phoenix.

The new route will accommodate present needs and future growth in long distance calling through this area to other parts of the country, according to R. S. Hutchinson, Long Lines central office chief here. Greater flexibility in network television programming throughout the Southwest will result, he said.

"Since microwave signals travel in a straight line, and do not bend with the curvature of the earth, radio relay stations must be placed at 25 to 30 mile intervals to maintain a direct line-of-sight transmission path," the company official continued.

Holdover directors are: one year: Curtis Dodd, C. L. Howard, Dr. James Harrison, B. V. Newberry, Melvin Scott and Ed Croan; Two years: Bob Craig, Joe Ford, Robert Fowler, Herman McBride, Donally Williams and Floyd Clifton.

Fred Smith, president, appointed a committee to nominate officers for the coming year. Serving on this committee are Craig, Ford and Williams.

The directors heard reports from various committees at the meeting. These included: Christmas program, Agriculture, annual banquet and a report from Mayor John Howard on the city's Master Plan.

All members are urged to attend and bring what ever they desire for the pot luck supper.

Fairview Baptists To Have Fete At Oil Mill House

The Fairview Baptist Church will observe Thanksgiving with an all church supper and program at the Oil Mill Guest House tonight at 6:30.

Two new teachers have been hired for Oscar DePriest School to fill vacancies made when one teacher was called to service and the other one resigned to enter Civil Service work.

Miss Mary Ella Esco who received her B. A. degree from Texas College, Tyler will teach the fifth and sixth grades and coach girls basketball. She replaces John R. Mayfield who was called to service November 7.

Mrs. Johnnie Jo Nell Hightower comes here with a B. A. degree from Butler College, Tyler, to be associate science and music teacher. She fills the vacancy created when Mrs. Hattie Faye Collins resigned for Civil Service work on November 10.

BASKETBALL SEASON OPENS WITH BUSY SCHEDULE AHEAD

Ed Farmer, new head basketball coach at High School, opened his basketball season here Tuesday night with Aspermont. Not only does the program have a new coach but a practically new team this year with only Stanley Austin back off of last year's regional finalist team.

Farmer, who has been girls coach here, was elevated to head coach this summer, when Neil Laminack resigned to take a similar position in Seminole. Farmer will continue as girls coach.

The girls team fared better from graduation than the boys with eight of the 12 girls from last year back again this year.

D. C. Andrews will coach the B team and assist Farmer with the A team. Sam Walker will coach the Freshman club.

The schedule for the year is as follows:

52 Study Club Meets Friday With Mrs. Bell

A panel forum presented a Study of Canada at the meeting of the Fifty-Two Study Club held Friday in the home of Mrs. B. O. Bell.

The forum was composed of Mmes. Sam Walker J. E. McCoy, Dan Gallagher and Tommy Davis.

Plans were made during the business session to participate in the Christmas parade to be sponsored by the Board of Community Development. Also the members voted to purchase a \$10 TB Christmas Seal Bond.

Mrs. Bell reminded the twelve members present that November 17-23 is National Farm-City Week and stressed that the ties between rural and urban neighbors will be strengthened in communities throughout the nation with the observance of this week.

Mrs. Jack Vaughan reported on the events of the meeting of the Taylor-Jones County Medical Association held in the Women's Club Building in Abilene.

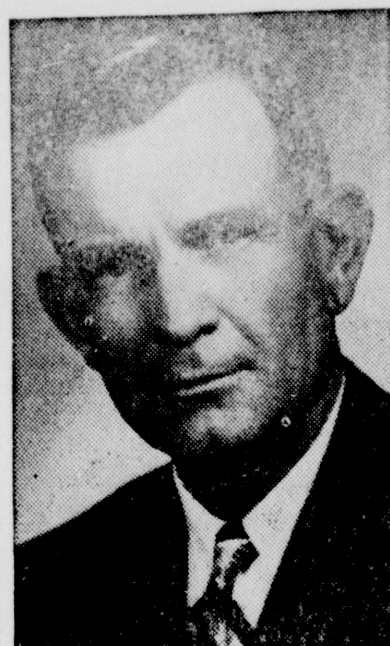

Interior Decorating Is the Theme for Woman's Literary

"New Trends in Home Decorations" was the program presented for members of the Woman's Literary Club at their meeting Friday afternoon in the home of Mrs. Holly Toler. Mrs. Robert McKissick and Wes Byrd, interior designer, both of Trend House in Abilene used samples to illustrate the latest in hues and color combinations and textures for home decorating.

Mrs. John D. Ferguson, program director, introduced the guest speaker. His talk was followed by a question-answer period.

During the business session, with Mrs. Parker Kelley, president, presiding, the club voted to buy a health bond for the Jones County Tuberculosis Association. Mrs. L. H. McBride was named chairman of the nominations committee to serve with Mrs. Tate May and Mrs. R. D. Moore.

The next meeting will be held in the home of Mr. and Mrs. C. T. Murrell. Each member is to bring their husband or a guest.

SPEAKS TO ROTARY—J. F. Longley, vice president and general superintendent of the West Texas Utilities Company, spoke to the Rotary Club at their noon luncheon Wednesday at the Mid-West Cooperative Oil Mill Guest House. Longley spoke to the group on "Where Are We Headed."

In Service Training Program Initiated By DePriest School

A new project is being initiated by the Homemaking Department of the DePriest School in order to better prepare the students for the future.

Following a survey of the communities served by the school the conclusion was reached that the greatest need of the people was employment. Therefore in order to help the young ladies realize that "efficiency is the key to success" and that one can learn better by doing, the homemaking advisor, Mrs. Ethel Cunningham, has helped to set up an employment project.

Anyone interested in having the service of one of these young ladies, either after school or on the weekends, may call Mrs. Cunningham, at SP 4-2146 after 4 p.m., and she will be glad to recommend a girl to fill your particular needs.

This type of project will enable the girls to develop more skills and put into practice the techniques taught, while earning spending money for personal needs.

Birthday Party Given to Honor Dwayne Miller

Dwayne Miller celebrated his ninth birthday Saturday with a party at his home. After the gifts were opened refreshments were served by his mother, Mrs. A. G. Miller, assisted by Denise Preston and Reba Long. Others attending were De Rhonda Brown, Paul Long, Ronald Hall, Gene Stovall, James Koonce, Jim and Leldon Lewis Clifton.

Garden Club Hears Discussion on Roses

Twenty members of the Hamlin Garden Club met November 10 in the Harden Memorial Library for a program on Roses—Tender Loving Care. Mrs. R. D. Moore was hostess and Mrs. M. T. York, president, presided during a short business meeting.

The story of roses was told by Mrs. B. B. Colwell; Mrs. La Foy Patterson discussed the selection and care of roses; and Mrs. L. B. Williams discussed disease and pests of roses. An arrangement of cut roses was prepared by Mrs. C. G. Green. The December 8 meeting will be a tea in the home of Mrs. F. B. Moore Sr.

Mr. and Mrs. Billy Kinsey of Imperial are the parents of a new daughter, Janna Kay. She was born October 28 in a Crane Hospital. Mr. and Mrs. Claud Faulkenberry of Hamlin are the great-grandparents of the new baby and Mrs. W. E. Rogers is the great-great-grandmother.

FAIRVIEW NEWS--

By MRS. ELMER JOINER

It is another gloomy, cloudy Monday morning. Every one is wishing for a hard freeze, but despite the cold weather we have had the heavy crop of green cotton leaves are still with us. Since the insects ruined all of the late crop, there isn't anything to be gained by such a late fall, but we take it as it comes, and some of these mornings we will wake up and find every thing really frozen up.

Attendance was fair at church Sunday, several visitors being present. Attending both services Sunday were Mr. and Mrs. Roy Watts and sons, and visitors Sunday night were Mr. and Mrs. R. E. Ray of Anson.

Thanksgiving will be celebrated with a supper and program this coming Wednesday night at the Oil Mill Guest House. This will be our regular family night, which is observed once a month. A pot luck supper will be served, so all of the members are urged to attend and bring anything you wish to eat. Gathering time will be 6:30 p.m.

Rev. and Mrs. Combs and children ate lunch with Mr. and Mrs. Winslow Gray Sunday.

Woodrow Goodwin spent three days in Lubbock last week attending barber school. The pastor's children alternated visits with Lee and Linda. Wednesday night Brenda stayed with them to keep the boogers away, Friday night Cathy stayed, and Thursday night Johnny stayed, so they made it fine with all of that protection.

Mrs. Winslow Gray arrived home Friday morning from Houston, where she had spent almost two weeks with her daughter, Mr. and Mrs. Doyal Bills and the new arrival, Jana Dee.

Mr. and Mrs. Mel Jones also returned home last Thursday after a visit with their son and family, the Doyle Jones, in San Diego, California. They reported a very nice trip, even though they did see the big snow around El Paso. The roads were cleared of snow so they did not have any trouble coming through.

Mr. and Mrs. Henry went to Snyder Saturday to help their little granddaughter, Winona Henry, celebrate her fifth birthday.

Mr. and Mrs. Mel Jones went to Stamford Friday to see his brother, Newman Jones, who has been ill for several months. They reported finding him so much improved that he was staying in the office of the implement house answering the phone, etc., while his son had gone deer hunting.

The many friends of Johnnie Agnew were happy to learn that he was able to come home from the Abilene hospital sooner than was expected, not to the Hamlin Hospital as was expected, but was able to go home, where he is recovering very nicely.

We are also happy to report that Mr. Jack Gray is doing

well after his surgery, following the wreck he was involved in. Mr. Gray gets impatient to be active again but it takes time for our bodies to heal, so he will have to take it easy for a while yet.

Mrs. L. R. Faulkenberry, Mrs. James Brown and Mrs. Elmer Joiner attended council of the HD clubs in Anson last Wednesday. Plans were made for the Christmas party to be held in Hamlin at the Oil Mill Guest House, December 7th. We that live in the Hamlin vicinity are proud of a place to offer, free of charge, to the county Home Demonstration Clubs to meet, the Rally Day was held there last July and was such a success that the clubs decided to use it again for their Christmas party.

Mr. and Mrs. R. E. Ray visited with Mr. and Mrs. Elmer Joiner Sunday night after church.

Mr. and Mrs. Winslow Gray went to visit his parents, Mr. and Mrs. E. C. Gray.

Takes Part in Army Training Exercise

GERMANY — Army PFC William H. Brown, son of Mrs. Thresa Brown, Route 2, Hamlin, Texas, is scheduled to participate with other members of the 50th Infantry in Exercise Main Barge a V Crops field training exercise to be held in central Germany Nov. 13-17.

The exercise, which will involve some 28,000 troops, is designed to develop small unit leadership and test combat readiness. Friendly forces, opposed by an "Aggressor" force, will be supported by both conventional and atomic capable artillery. The exercise will also feature assault crossings of the Main river.

A rifleman in the infantry's Company D which is regularly stationed in Wildflecken, Brown entered the Army in June 1960, completed basic training at Fort Hood, and arrived overseas last October. A 1959 graduate of Oscar De Priest High School, the 20-year-old soldier attended the Prairie View A&M College.

In A Cappella

Jane Cudd, daughter of Mr. and Mrs. Thomas E. Cudd of Hamlin, is singing in the second alto section of the cappella chorus of Lubbock Christian College.

Jane, a 1960 graduate of Big Spring High School, is a sophomore music major at the college. In high school, she participated in the band.

Baseball Tourney Planned Here Next Summer

WICHITA, KAN.—The National Baseball Congress today announced the establishment of a sanctioned Texas district tournament at Hamlin with the tentative starting date set at July 31.

W. D. Adair of Hamlin was named district commissioner to supervise this event, his appointment having been approved by Richard Walker of Lubbock, NBC Texas commissioner.

This is the first of a series of district tournaments to be established throughout Texas in which the winner will be assured representation into the 26th annual state tournament which will be set within the near future by Walker.

The Texas state champions will qualify directly into the 28th annual National tournament in Wichita, Congress president Ray Dumont said.

The SMI Stealers of Seguin are the defending Texas champions.

Approximately 12 to 15 teams are expected to participate in this district.

Alton O. Clem Now at Ft. Rucker

FT. RUCKER, ALA.—Army Specialist Four Alton O. Clem, whose wife, Beth, lives in Sylvestor, Tex., was recently assigned to the 356th Transportation Company at Fort Rucker, Ala.

The 356th is a maintenance unit stationed at the home of The Army Aviation School and is responsible for the maintenance and overhaul of 900 Army aircraft of various types.

Specialist Clem a generator operator in the company, entered the Army in July 1957.

The 26-year-old soldier, son of Mr. and Mrs. Alga H. Clem, 406 E. Campbell St., Stamford is a 1955 graduate of Stamford High School.

Kenneth Hewett Active in Operation At Pike Forest

FORT RILEY, KAN.—Army Pvt. Kenneth D. Hewett, 23, son of Mr. and Mrs. Eddie A. Hewett, 145 N. W. Avenue F, Hamlin, Tex., is participating with other personnel from the 1st Division's 8th Infantry in two weeks of combat training at Pike National Forest in Colorado. The training is scheduled to end Nov. 19.

Designed to improve individual and unit combat efficiency, the training includes cold weather operations and mountain warfare tactics. The rugged terrain of Pike National Forest and the average November temperatures ranging to

five below zero make this area especially suitable for such training.

Hewett is a clerk in the infantry's Combat Support Company which is regularly located at Fort Riley, Kan. He entered the Army last June and completed basic training at the fort.

Hewett is a 1956 graduate of Hamlin High School and attended McMurry College in Abilene.

Pipers Drop Bi-District Tilt to Quanah Indians

Any dreams the Pipers might have had of being the first Hamlin football team to go beyond the first round of the playoffs were crushed Friday night under the awesome onslaught of offensive power displayed by the Quanah Indians. The Indians scored the first four times they had the ball to crush the Pipers, 43-6 in the bi-district round of the class AA playoffs played here in Piper stadium.

With their ground game almost completely stopped, the Pipers took to the air with quarterback Stanley Austin turning a sterling performance with 18 of 29 passes completed for 205 yards. He turned half-back during the game and was on the receiving end of the other Piper pass completion good for 15 yards.

The Pipers fought a game battle on defense but simply could not control the high geared offense of the Indians led by All State candidate quarterback Danny Scarbrough who scored two touchdowns, passed for two and recovered a fumble to set another drive in motion.

Van Newberry took the opening kickoff and returned it 17 yards to the Hamlin 27 from where Frankie Lee gained five and Bill Richey four and then the Pipers were set back to their 22 with a 15 yard penalty. Austin uncovered his deadly passing attack with a 24 yard pass to end Jimmy Cooper that was good for a first down on the Hamlin 46. Rayford Williams carried for two and then three with Richey picking up three more to the Indian 46. On fourth down and needing two the Pipers gambled for the first with Lee hitting the middle of the a yard gain.

The Indians took over on line only to be stopped after their own 45 and in eight plays were on the Piper 19 from where Scarbrough skirted his right end and ran through the Piper defense to score. End Everett Kelley put the first

of five point after kicks through the uprights.

Lee returned the kickoff back to his 42 from where Richey gained four yards, Lee five and then Richey gained a first down with a two yard plunge. Quanah was assessed a 15 yard penalty to put the ball in play on the Indian 32. Williams picked up three and then Van was thrown for a six yard loss. Austin passed for 12 yards to Van and Richey gained a first on the 20 with a two yard dive. Hamlin was set back with a five yard penalty to the 25. Austin dropped back and found Cooper in the clear at the five, with Cooper going in for the score standing up. Cooper's kick was blocked and the Indians stayed in the lead, 7-6.

After returning the kickoff to their 30 the Indians moved the ball to the Piper 16 in seven plays. Again Scarbrough rolled around his right end and raced into the endzone. Kelley kicked the point after to put the Indians in front, 14-6.

After the kickoff, Blackie Wade intercepted Austin's pass and returned it 19 yards to the Hamlin 43. Three plays later Scarbrough passed to Kelley for the scoring play good for 32 yards. Kelley kicked the extra point.

The Pipers returned the kickoff to their 32 and Richey gained three yards and Austin connected with Cooper for 19 yards. The Indians were penalized 15 yards to the Quanah 37. Van was held for no gain and then Hamlin drew a 15 yard penalty to put the ball back on the 48. Austin passed to Cooper for 16 yards and then to Robert Woodruff for 13 and a first down on the Indian 23. Williams gained four and then Austin's next two passes fell incomplete. Austin passed 7 yards to Williams who fumbled when he was tackled with Quanah recovering on the 12.

Eight plays later substitute quarterback Ridley Gibson crashed over from the five for the score. Kelley again kicked the point after.

A pass interception stopped the next Piper drive and Quanah ran the clock out in three plays to go in at the half with a 28-6 lead.

After the kick, the Indians moved the ball seven yards in

two plays and then Scarbrough connected on a short pass to Wade who raced 61 yards for a score. Scarbrough passed to Kelley for the two points.

Failing to gain a first the Pipers punted with the Indians taking over on their 25. The Pipers stopped the Indian drive on the Hamlin 21.

The Pipers drove to the Indian 18 before their drive played out. Austin passed for 56 yards on eight completions and took a pass from Van for 15 yards on the drive.

Scarbrough gained two to the 20 and then Wade broke in to the open and raced 80 yards to paydirt. He was raced to the goal by Van. Kelley kicked the point after to make the score 43-6.

The two teams swapped the ball back and forth with neither team making any gain until the Indians started a drive from their 38 and were on the Hamlin one yard line as the game ended.

PIPER PATTER

By SANDRA SMITH

"Hamlin—I" and from the Pied Piper "marchin' green" went up a shout of joy. Yes, after weeks of practice the Hamlin High School band received a first rating in marching contest at San Angelo Saturday. The band was judged not in comparison with other bands but against standards that are set up.

Four young ladies also brought honor to H.H.S. Saturday when they received a first on their twirling ensemble. The girls are Sunny Teague, Lagena Weaver, Margaret Ma-berry and Anna Adams. These girls are majorettes for the "marching green" Sunny and Lagena also got a first on their solos while Margaret and Anna got seconds.

The band will go to concert and sight-reading contest this spring to try and bring home a

sweep-stakes trophy. The band received a telegram of encouragement from the pep squad when they arrived in San Angelo Saturday. The telegram was signed by all the pep squad members.

Four Hamlin High students ventured to Noodle Monday afternoon to participate in the "Make It With Wool" contest. The four girls were Mary Debs Rountree, Sandra Jayroe, Nancy Stinnett, and Gloria Jenkins. The girls were accompanied by Mrs. James E. Simmons.

The game Friday night ended the football season for 1961, but another sport has begun—basketball. The first basketball game of the season was played Tuesday against Aspermont in the high school gym.

Seven H. H. S. boys traveled to Big Spring Tuesday to compete in the Area II FFA Leadership Contest. The Contest was held at Howard County Junior College. Members of the Hamlin Chapter Conducting team are Stanley Austin, president; Ronnie Flenniken, vice-president; Ronnie Teichelman, secretary; Carol Stinnett, treasurer; Jimmy Cooper, reporter; Jerry Warnell, sentinel; and George Stovall, delegate.

Students of Hamlin High School will be dismissed for the Thanksgiving Holidays on Wednesday afternoon at 4:00. Classes will resume on Monday at 8:20.

Depriest Takes Two Games with Tigers

Both the boys and girls basketball teams of the Depriest High School played the Tigers of the Washington High School from Stamford Tuesday night. The girls won their game 36 to 12 and the Steers racked up a score of 52 to 41 over the Tigers.

Bennie Johnson was the top scoring boy with 20 points while Louise Bolden also made 20 points for the girls. H. Cooper was high point man for Stamford with 14 points.

Anyone Planning To Retire Should Check with SS

For the past 7 years, peak claims loads in the Abilene Social Security office have been in January, according to Fay Ford, Field Representative, who visits Hamlin regularly. She adds that claims filed in January are thereby usually delayed in processing because of such high workload.

Mrs. Ford suggests that persons 62 or older planning on retiring in January or February of 1962 see her on her next visit here to discuss possible advantages of getting their claims filed before January. With the liberalizations in the 1961 Amendments, everyone over 62 who has had three years or more of social security credits should investigate the possibility of collecting at least some retirement benefits in 1962 even though continuing to work. If expected earnings for 1962 are to be less than \$3,000, Mrs. Ford urges a discussion with her about payment possibilities.

NEINDA PHILOSOPHER NOT WORRIED BECAUSE REST OF WORLD MAY GET OUR T.V. PROGRAMS TOO

Editors note: The Neinda Philosopher on his Johnson grass farm on Route one discusses a cultural problem this week, without much effect on it.

Dear editor:

Ordinarily more newspapers than magazines turn up out here on this Johnson grass farm but yesterday I found a magazine on the road near my place and took it home and last night instead of watching television I looked it over. A tube was burned out anywhere.

There was one article in it that got me to thinking. According to it, scientists will soon whip the problem of sending television across the ocean and before long American television shows will be available all the time to the people of the rest of the world.

Now this writer was worried about this, he's afraid the rest of the world will get the wrong impression of us. "Dare we entrust to commercial television the broadcasting of America's image to the rest of the world?" he asked. "What will barefoot Congolese think of a master of ceremonies on a quiz show bestowing free refrigerators, cash and a multitude of other prizes upon screaming ladies?"

"This is one problem I'm not going to lose sleep over. In the first place, I don't suppose the Congolese will think any more of it than I do, and in the second . . ."

and place, if those barefoot Congolese sitting around in their mud huts watching T.V. get unhappy about our material possessions, they could at least sell their television sets and buy some shoes.

If I understand this writer, it's all right for us to have refrigerators and such things, so long as we don't let the rest of the world know about it.

He was worried about the cultural impression American television will make on the people of the rest of the world.

Annual Clash of McMurtry-A.C.C. Will Be Saturday

ABILENE — Abilene area football fans are in for a real treat Saturday (November 25) when the Abilene Christian Wildcats and McMurtry Indians clash in their annual intra-city battle—a game that will decide the "city collegiate championship."

This game will climax the first round robin schedule among Abilene's three colleges. ACC's Wildcats defeated the Hardin-Simmons Cowboys 27-0, and McMurtry followed with a 27-14 win over the Cowboys, turning the season finale into an Abilene collegiate championship contest.

Abilene Christian has also designated the game as the 1961 Wildcat Homecoming contest. These elements—cross-town rivalry, city championship and the ACC Homecoming—should combine to fill the 15,000-seat Abilene Public Schools Stadium to capacity.

McMurtry's Indians idled this past week while Abilene Christian played Trinity University in Abilene.

Kickoff time for the annual ACC-McMurtry clash will be at 2:30 p.m. Saturday in Abilene Public Schools Stadium. During the week tickets may be purchased at ACC's Student Exchange and the McMurtry business office.

Area residents visiting Abilene through Friday may purchase tickets from 1 to 5:30 p.m. in the Windsor Hotel Lobby. A limited amount of tickets are expected to be available at the gate Saturday.

THE HAMLIN HERALD

NOVEMBER 23, 1961

have been discontinued, Eastus said.

The 232 service units in Texas are organized in the smaller cities and towns in Texas. These units are operated by a small group of volunteers in each city for the purpose of local and transient people in need of food, clothing, transportation, and many other types of emergency needs that they can not provide services of the Salvation Army, the major one of which is the disaster relief program. All state-wide welfare services of the Army are available to the people of Jones County in some way, Eastus explained.

"Do we want Burmese to think that private eyes and Western sheriffs are our national heroes," he asks.

This displays a considerable ignorance of human nature. Americans watch these shows all the time and they don't think Western sheriffs and private eyes are national heroes. They know, and the Burmese can find out too, that not one of them ever hit a home run or made a touchdown.

I claim the rest of the world is no better than us and if science is going to bring American television shows to them, they'll just have to face up to it. You don't find us crying to the Burmese to protect us from Russian fall-out, do you?

Yours faithfully,
J.A.

Salvation Army Undergoes Change In Organization

The Jones County Salvation Army Mayor's appeal for funds produced a total of \$1,437, it was announced this week by Bob Eastus, Field Representative for the Salvation Army. The mailed appeal to aid the victims of Hurricane Carla, was signed by Roland R. Kelley, mayor of Stamford; John Howard Jr., mayor of Hamlin; and Bland Harper, mayor of Anson.

Of the funds raised, \$512 was from Stamford, \$765 from Hamlin, and \$160 came from Anson. A service Unit has been organized in Anson, and an additional \$846.75 was raised there in an organized campaign bringing the Anson total to \$1,006.75.

Floyd Clifton acted as the treasurer for the Hamlin appeal and he has deposited 1-3 of the net amount in the local bank for use in local emergency welfare, as outlined in the letter appealing for funds.

For some 30 years, the Abilene Corps of the Salvation has maintained a tambourine solicitation in Jones County. Jones County has been a part of the Service Unit Department of the Salvation Army since September 1st of this year, and the Abilene weekly campaigns
